We were slightly concerned at the inability of some of the ultimate crews to read sailing instructions. With this in mind, we've purchased some simple books for them to practise with, so I'd be grateful if the crews of Fat Boy Racer, Wavebreaker, Hi Flyer and Miss D'meanour would come up to receive them.

Special prize

We also have a special prize for one sailor – just for being him. This was found by a Club Member who thought it should go to a new home with someone who would really appreciate it. Please come up, Tommy Dwyer
